Performance Highlights

For the year ended 31st March, 2017, the Company achieved a gross sales of Rs.40245.41 lakhs (12 months) as against Rs. 48131.68 Lakhs for the (15 months) period ended 31st March, 2016. During the year under review, the Company has incurred a loss after tax of Rs.2675.12 lakhs (12 months) as against the loss after tax of Rs.2251.05 lakhs for the (15 months) ended 31st March, 2016.

During the year under review, the prices of raw / base materials like Sugar, Vegetable fat, Chocomass, Milk and Milk products and other packing materials etc., have gone up. However, due to the various cost reduction measures and material substitution strategies adopted by the Company, the company was able to mitigate the loss to some extent and manage the working capital and regular investments with internal accruals.

Further, interest on External commercial borrowings obtained for the establishment of new plant at Rohtak and depreciation on this project, temporary effect on currency demonetisation had an impact on Company's financial statement.

Industry trends

The confectionery market grew by 10%, primarily driven by HBC (Hard Boiled Candies). Large organized players have practically vacated 50p price points with the exception of a few. Demonetization in November 2016 caused significant disruptions in wholesale & rural business – the effect of which continued to be felt towards March 2017.

Product innovations were limited in 2016-17. Growing success of Pulse Candy saw a lot of unorganized players enter the powdered centerfill HBC space – with a lot of imitations (both product & packaging). On the organized front, we see players continue to drive consumption with easy-to-carry packaging at attractive price points.

DIRECTORS' REPORT & MANAGEMENT DISCUSSION AND ANALYSIS (Contd.)**Outlook**

In its confectionery business, the company will launch new products at higher price points only, particularly in the HBC space.

The company launched a premium 'Pie' variant ('Rich Cocoa Pie') in Aug 2016, which was well received in the marketplace. While penetration will continue to be key for driving Lotte Chocopie's growths, the premium version is aimed at upgrading the existing consumer.

The company is also looking at entering the cookies space, which is seeing a lot of action in the marketplace.

Internal Control System

Your Company has in place adequate systems of internal control commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use or losses, executing transactions with proper authorization and ensuring compliance of internal policies. The Company has a well defined delegation of power with authority limits for approving revenue as well as capital expenditure. Processes for formulating and reviewing annual and long term business plans have been laid down to ensure adequacy of the control system, adherence to the management instructions and legal compliances.

Extracts of Annual Return

As per the requirements of the Companies Act, 2013, the extract of Annual Return in the prescribed Form MGT 9 is annexed hereto as **Annexure 1** forming part of the report.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31.03.2017

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,
The Members,
LOTTE INDIA CORPORATION LIMITED.,
Chennai.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **LOTTE INDIA CORPORATION LIMITED** (hereinafter called the company).

Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31.03.2017** complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **Lotte India Corporation Limited** ("the Company") for the financial year ended on **31.03.2017** according to the provisions of

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (iii) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable since the company is not a Listed Company.
- (iv) Since the Company is not a listed Company, the Listing Agreement is also not applicable.

I have also examined compliance with the applicable clauses of Secretarial Standards issued by The Institute of Company Secretaries of India for Board and General Meetings.

I further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors,

Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried out and recorded in the minutes.

I further report that, there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

OBSERVATION:

Visited the Factories at Nellikuppam, Cuddalore, Nemam , and Haryana and verified the the records and documents and the licences under various Acts.

Also verified the records pertaining to Safety, Health and welfare measures followed by the Company and also verified the laws applicable and the compliances.

I Further report that, the Company has not carried out:

REPORT ON CORPORATE GOVERNANCE

(Voluntary Disclosures)

1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Lotte India Corporation Limited (LICL) is committed to the highest standards of corporate governance in all its activities and processes. Corporate Governance refers to the manner in which a Company is directed, and laws and customs affecting that direction. It includes the manner in which a Company operates under the laws governing Companies, the bylaws established by the Company itself, and the structure of the Company. The corporate governance structure specifies the relationship, and the distribution of rights and responsibilities, among primarily three groups of participants viz. the Board of directors, managers and shareholders. It spells out the rules and procedures for making decisions on corporate affairs; it also provides the structure through which the Company objectives are set, as well as the means of attaining and monitoring the performance of those objectives.

The fundamental concern of corporate governance is to ensure conditions whereby a Company's directors and managers act in the interests of the Company and its various stakeholders.

The following is a report on the status and progress on major aspects of Corporate Governance.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting standards and matters which are required to be included in the audit report.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative

pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by 'the Companies (Auditor's Report) Order, 2016', issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.

INDEPENDENT AUDITORS' REPORT (Contd.)

10. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books. However, the back-up of the books of account and other books and papers maintained in electronic mode has not been maintained on servers physically located in India.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the maintenance of accounts and other matters connected therewith, reference is made to our comment in paragraph 10(b) above that the back-up of the books of account and other books and papers maintained in electronic mode has not been maintained on servers physically located in India.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the

Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.

- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
 - i. The Company has disclosed the impact, if any, of pending litigations as at March 31, 2017 on its financial position in its financial statements - Refer Notes 23 to the financial statements.
 - ii. The Company has made provision as at March 31, 2017 as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2017.
 - iv. The Company has provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on audit procedures and relying on the Management representation, we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management - Refer Note 42 to the financial statements.

Annexure A to Independent Auditors' Report

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the Members of Lotte India Corporation Limited on the financial statements as of and for the year ended March 31, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Lotte India Corporation Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established

and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Place: Chennai
Date: November 02, 2017

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2.2 Changes in accounting policy

Derivatives : In May 2015, the ICAI issued the Guidance Note on Accounting for Derivative Contracts, which has become applicable for accounting periods beginning on or after 1 April 2016, in accordance with which, all derivatives other than those which are accounted for under AS 11 are initially recognised at fair value on date a derivative contract is entered into and are subsequently re-measured to their fair value with changes being recognised in the Statement of Profit and Loss at the end of each reporting period.

During the previous year, in accordance with the announcement of "Accounting for Derivatives" made by the Institute of Chartered Accountants of India on March 29, 2008, derivatives were marked to market and the changes in the value of such derivatives, to the extent they reflect a loss, are recognised in the Statement of Profit and Loss.

Had the Company continued to follow the earlier accounting policy, the net foreign exchange gain recognised in the Statement of Profit and Loss would have been lower by Rs. 156.38 and derivatives receivable under other non current assets would have been lower by Rs. 156.38.

2.3 Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities as of the balance sheet date and reported amount of revenue and expenses for the year and disclosure of contingent liabilities as of the date of balance sheet. The estimates and the assumptions used in the accompanying financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of financial statements. Actual amounts could differ from these estimates.

Notes to financial statements for the year ended March 31, 2017 (Contd.)

(All amounts are in Rs. lakhs, unless otherwise stated)

2.4 Tangible Assets

Tangible Assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price including import duties and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management. Subsequent costs related to an item of Property, Plant and Equipment are recognised in the carrying amount of the item if the recognition criteria are met.

Elements of cost also include the initial estimate of the costs of dismantling, removing the item and restoring the site on which it is located, referred to as 'decommissioning, restoration and similar liabilities', the obligation for which an enterprise incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net carrying amount and net realisable value and are shown separately in the financial statements under the head 'Other current assets'. Any write-down in this regard is recognised immediately in the Statement of Profit and Loss.

An item of Property, Plant and Equipment is derecognised on disposal or when no future economic benefits are expected from its use. The gain or loss arising on derecognition is recognised in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets based on technical evaluation done by management's expert, in order to reflect the actual usage of the assets. The depreciation charge for each period is recognised in the Statement of Profit and Loss. The useful life, residual value and the depreciation method are reviewed at least at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

The estimates of useful lives of tangible assets are as follows :

Asset	Useful life followed by the company (Years)
Building	28
Plant and machinery	5 - 13
Office equipments	3 - 10
Furnitures and fixtures	5 - 10
Vehicles	5

All tangible fixed assets individually costing INR 5,000 or less are fully depreciated in the year of purchase.

Leasehold improvements are amortized on a straight line basis over the useful /remaining useful life of the asset or the lease period whichever is lower.

2.5 Intangible Assets

(a) Acquired Intangible assets

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

The estimated useful lives of intangible assets are as follows :

Asset	Useful life (Years)
Software	5

Notes to financial statements for the year ended March 31, 2017 (Contd.)

(All amounts are in Rs. lakhs, unless otherwise stated)

(b) Research and development cost

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognised as an intangible asset when all of the following criteria are met:

- It is technically feasible to complete the intangible asset so that it will be available for use or sale.
- There is an intention to complete the asset
- There is an ability to use or sell the asset
- The asset will generate future economic benefits
- Adequate resources are available to complete the development and to use or sell the asset
- The expenditure attributable to the intangible asset during development can be measured reliably.

Following the initial recognition of the development expenditure as an asset, the cost model is applied requiring the asset to be carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use and it is amortised on straight line basis over the estimated useful life.

2.6 Borrowing Costs

Borrowing costs include interest, other costs incurred in connection with borrowing and exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to the interest cost. General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

2.7 Impairment of Assets

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. For the purpose of assessing impairment, the recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. The smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit (CGU). An asset or CGU whose carrying value exceeds its recoverable amount is considered impaired and is written down to its recoverable amount.

Assessment is also done at each balance sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

2.8 Investments

Long-term investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments, such reduction being determined and made for each investment individually.

Investment property: Investments in buildings that are not intended to be occupied substantially for use by, or in the operations of the Company, have been classified as investment properties. Investment properties are carried at cost

Notes to financial statements for the year ended March 31, 2017 (Contd.)

(All amounts are in Rs. lakhs, unless otherwise stated)

less accumulated depreciation and accumulated impairment losses, if any. Refer note 2.4 for depreciation rates used for buildings.

2.9 Inventories

Inventories are stated at lower of cost and net realisable value. Cost of raw materials and stock-in-trade is ascertained using the moving weighted average method and includes purchase cost, taxes and duties and all expenses incurred in bringing the inventory to its present location and condition, but excludes duties and taxes that are subsequently recoverable from revenue authorities. Cost of work-in-progress includes material cost and share of production overheads. The valuation of finished goods includes material cost, share of production overheads and excise duty. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.10 Foreign currency translations**Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities denominated in foreign currency are restated at the closing exchange rates. Exchange differences on actual payment/realisation and from the period end restatement of all monetary items are recognised in the Statement of Profit and Loss.

Derivatives and hedging activities

The premium or discount arising at the inception of forward exchange contracts entered into to hedge an existing liability/asset, is amortised as expense or income over the life of the contract. Exchange differences on such a contract are recognised in the Statement of Profit and Loss in the reporting period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such a forward exchange contract are recognised as income or as expense for the period. The Company does not use the foreign exchange forward contracts for trading or speculation purposes.

Derivatives other than those which are accounted for under AS 11 are initially recognised at fair value on date a derivative contract is entered into and are subsequently re-measured to their fair value with changes being recognised in the Statement of Profit and Loss at the end of each reporting period.

2.11 Revenue recognition

Sale of goods: Sales are recognised on dispatch of goods which corresponds with the transfer of significant risks and rewards of ownership in the goods and are recognised net of trade discounts, rebates, sales taxes and excise duties.

2.12 Other Income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Insurance claims and rental income are recognised when the amount thereof can be measured reliably and there is a reasonable certainty of its ultimate collection.

Notes to financial statements for the year ended March 31, 2017 (Contd.)

(All amounts are in Rs. lakhs, unless otherwise stated)

2.13 Employee benefits**i) Defined contribution plan**

Provident Fund: Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Plans as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Superannuation: Contribution towards superannuation fund administered by the trustees and managed by Life Insurance Corporation ("LIC") is made in accordance with the terms of employment contracts for eligible employees, where the Company has no further obligations. Such benefits are classified as Defined Contribution Plans as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

ii) Defined benefit plan

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Compensated absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

2.14 Current and deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. In situations, where the Company has unabsorbed depreciation or carry forward losses under tax laws, all deferred tax assets are recognised only to the extent that there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax

Notes to financial statements for the year ended March 31, 2017 (Contd.)

(All amounts are in Rs. lakhs, unless otherwise stated)

and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.15 Provisions and contingent liabilities

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value except in case of decommissioning, restoration and similar liabilities that are recognised as cost of Property, Plant and Equipment. The discount rate used is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Periodic unwinding of discount is recognised in the Statement of Profit and Loss.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.16 Leases**(a) Operating leases**

As a lessee: Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease.

As a lessor: The Company has given on lease certain tangible assets and such leases where the Company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the lease term which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred.

2.17 Cash and cash equivalents

In the cash flow statement, cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

2.18 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the year attributable to equity shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
